BOARD CHAIR

A Message from Kathleen F. Slevin

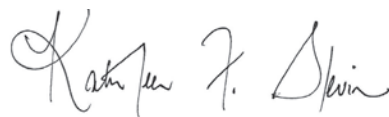

Building Bridges to a Better Community genuinely describes the work that the Williamsburg Community Foundation has accomplished in 2022. We committed to reaching out to a diverse group of nonprofits and donors to engage more of you in the Foundation's community-centered endeavors.

It is an honor to be able to connect philanthropic individuals with causes that truly help to create a vibrant Williamsburg area. I am pleased to report that we exceeded our annual fund goal due to your generosity and commitment. We are so grateful for your trust and support as we continue this important work. I hope you will take a moment to read about the new funds created by your neighbors that support our competitive grantmaking, local nonprofit capacity building, and scholarships to area residents.

The 2022 grant recipients highlighted in this report are providing vital services in the Williamsburg area, and we are pleased to be able to support them. As a result of our outreach efforts, we received grant applications from nine new organizations that serve a broad range of local needs.

Thank you for the part you play in helping us continue to make these connections and build a strong thriving community!

The Economic Mobility Fund is designed to help provide money for the certification process of many well-paying careers.

Economic Mobility Fund

In 2022, Dian Calderone established the Economic Mobility Scholarship Fund. “The purpose of these funds is to target non-traditional, underserved individuals who are unable to access funding for education and training that will assist them in becoming financially stable.” said Dian. There are multiple avenues to pursue these credentials but all come at a cost. Local community colleges and healthcare systems often focus their scholarship giving on students coming out of high school, making it harder for individuals who have had a delayed start on a profession for a variety of reasons. This fund – which anyone can contribute to – will help to pay for a variety of educational costs, such as commercial driver’s license test fees, certificate programs for X-ray technicians, medical billing training, and special trade contractor training, to name a few.

Sutton Family Scholarship Fund

The Sutton Family Scholarship Fund was established in 2022 by Leanne and Doug Sutton. This endowment is designed to support a student who has advocated for social equity, equality, and acceptance among their peers, is the first in their family to attend college, and has financial need.

“All four of the Sutton kids graduated from Williamsburg schools, namely Jamestown High School and Walsingham Academy. When scholarships were being awarded during that period of time it seemed to us that many of the recipients had strong support systems, allowing them to excel in the classroom.” said Leanne. “These same recipients many times also already had the means to attend college. We would like to help a student who would benefit from financial support, who shows ability in the classroom, but as importantly shows promise as a leader in their community.”

Briana (JHS '13), Braden (WA '14),
Leanne, Doug, Tara (JHS '07),
and Kielely (JHS '11) Sutton.

Community Endowment (unrestricted) and **Field-of-Interest Funds** provide our community with flexible support for the long term. The majority of grants from these funds are awarded to local nonprofit organizations through a competitive process. A complete list of WCF funds can be found on our website at WilliamsburgCommunityFoundation.org

Bacon Street Youth and Family Services

The Bridges Project, established by Bacon Street Youth and Family Services, began as a desire to meet the needs of youth who might not excel in a “traditional” classroom environment and struggle as they transition from middle school to high school. It is now offered at all 3 WJCC high schools. The program includes Jumpstart, a week-long wilderness/adventure summer program that introduces new mentees to their mentors and Bacon Street staff, and bi-weekly peer-to-peer mentoring during the school year.

Wrapping up each school year, mentors and mentees are honored and acknowledged for their efforts, perseverance, growth, and contributions to the program. Mentees are given the opportunity to “Bridge Up” and return as future mentors so they may pass along skills they have achieved to future mentees.

Because of the Bridges Project, academic achievement has increased and truancy rates have decreased. Students report feeling more closely connected to their school peers, and that the program has helped them build better relationships at home and in the community. As one participant put it: “In a positive way, it’s brought me out of my shell to socialize with people.”

“By immersing myself into the program I’ve made strong and meaningful connections with people who are nothing like me.”
 – 2022 Bridges Project participant

- Olde Towne Medical and Dental Center

Community of Faith Mission

Community of Faith Mission (COFM) provides emergency shelter to area residents during the coldest months of the year. These residents are normally sheltered at 18 different host sites over a period of 18 weeks. “Williamsburg Community Foundation has been a tremendous asset for Community of Faith Mission,” said Donnie McDaniel, Executive Director of COFM. “Along with grant awards for supplies, WCF’s grant award was also instrumental in allowing COFM to provide our full 18 weeks of shelter by providing medical screening personnel and hotel stays while our traditional church sites were still unable to partner with us due to the pandemic.”

“COFM is truly grateful for the generosity of Williamsburg Community Foundation.” said Donnie. These hotel stays allowed the guests to experience hospitality and security while COFM helped them determine the next step toward moving away from homelessness. COFM welcomes anyone who finds themselves without shelter and serves men, women, and children ranging in age from 1 to 77 years old. In addition to shelter and food, COFM provides toiletries and personal hygiene items, and brings in outside agencies to assist guests in a variety of ways such as finding job training and affordable housing.

COFM is a success due, in part, to the thousands of volunteer hours that are logged in each session. Each night of service involves a minimum of 21 dedicated volunteers. Pictured above are volunteers from Bruton Parish Church.

Local nonprofit organizations supporting our most pressing needs and promising opportunities apply for support through the Foundation’s competitive grant process. The organizations listed below received grants from the Foundation’s **Community Endowment and Field-of-Interest Funds**. To see a complete list of grant recipients, visit our website at WilliamsburgCommunityFoundation.org.

Opera in Williamsburg, Inc.
 Postpartum Support Virginia, Inc.
 Respite Care of Williamsburg United
 Methodist Church
 Rx Drug Access Partnership

 Williamsburg Area Faith in Action, Inc.
 Williamsburg Choral Guild
 Williamsburg House of Mercy, Inc.
 Williamsburg Music Club
 The Williamsburg Players
 The Williamsburg Symphony Orchestra
 Williamsburg Wrestling Club
 The Williamsburg Youth Orchestra

“I donate to the Community Endowment Fund at WCF because the Foundation knows of smaller organizations in our community that need support that I may not be aware of. Through the competitive grant process, the Foundation has done the research and due diligence on these nonprofits, giving me confidence that my donation is truly making an impact.”

– Linda Caviness, Donor

SCHOLARSHIP FUNDS

Helping Students Since 1974

The Williamsburg James City County Scholarship Fund has been helping students since 1974. In 2022, 81 scholarships were awarded, totaling more than \$129,000. To learn more about the scholarship recipients, see below. *Visit our website to view the complete list of scholarships and student recipients for 2022.*

- Endowed Scholarship Funds:

LEGACY SOCIETY

Committed to our community

Members of the **Legacy Society** have committed to supporting the community through a planned gift in their will, insurance policy or IRA. A planned gift may be used to establish a named fund, or to support any fund at the Foundation. We are so grateful to all of these individuals for their outstanding commitment to our community.

Williamsburg resident John O'Hare (1932-2022) lost his beloved wife Karene to ovarian cancer in 2008. In the years following her death, John turned his grief over her loss into the creation of a vibrant community-wide effort to help local uninsured and underinsured women access ovarian cancer screening, treatment, and education. An endowment created by John with The Williamsburg Community Foundation has been funded for over a decade, principally by the Karene O'Hare/Bitsy Whitten Ovarian Cancer Memorial Run/Walk at New Quarter Park. John was tireless in helping to raise hundreds of thousands of dollars in support of local women and families stricken by the disease that broke his heart. The Run/Walk continues to this day, inspiring hope, as does the memory of John and Karene O'Hare.
