2024 IMPACT REPORT

Together,
WE THRIVE

Together, we thrive.

As a result of your tremendous support and the leadership of the matching donors whose early commitment served as a catalyst for our 25th Anniversary Campaign, the WCF grew its community endowment and field-of-interest funds by more than \$924,000.

This growth means more support for local nonprofits tackling critical needs—from the arts to the environment to human services.

Your gifts make a real impact: a handrail installed for an older adult to safely remain at home, a child's first experience with live theater, an adult student earning a GED to support their family.

We invite you to explore this report and see the difference you've made. Most of all, thank you—you are the reason this work is possible.

A Message from Alison V. Lennarz

Dear Friends and Neighbors,

Thanks to you, we did not just meet our 25th Anniversary Campaign goal, we exceeded it. As a result of your generosity, the Foundation's assets now exceed \$31 million, ensuring that we will continue to make a meaningful impact in shaping our community's future for decades to come.

Looking ahead, the WCF Board recently adopted a new three-year strategic plan that sets the Foundation's priorities and action plan for enhancing the strength and vitality of our community. We remain dedicated to listening to our constituents, to engaging with local nonprofits to understand their missions and challenges, and to working closely with donors to help them achieve their philanthropic goals. We will continue to bring people together to support our community's most pressing needs and promising opportunities, and to proactively seek and create pathways to a stronger future.

The addition of Local Impact Investing to the Foundation's portfolio is an example of the Foundation's strategic, proactive approach to addressing community needs. By moving some of our investable assets from Wall Street to (our local) Main Street, we can leverage more resources for greater Williamsburg.

While we seek to improve our knowledge and outcomes, the unchanging constant at the WCF over the last 25 years is the power of people coming together to invest their time, resources, and expertise to make our community stronger and more resilient.

The WCF Board and staff deeply appreciate your commitment to making a lasting positive impact. We invite you to continue this journey with us, ensuring that together, we thrive.

With gratitude,
Alison V. Lennarz | Chair

In memoriam: Karen Jamison

Karen Jamison was a dedicated leader, deeply committed to the well-being of greater Williamsburg and known for her generosity, empathy, and thoughtful guidance. Her legacy of leadership and compassion continues to inspire and guide our work in the community.

“

When Ukrop's Supermarkets opened a store in Williamsburg in 1999, we invested in the local community through a challenge grant to the Foundation of \$1 million. We have been pleased over the last 25 years to see how that initial investment has supported the organizations we care about in greater Williamsburg and led to so many new gifts for the community.

– Jim & Bobbie Ukrop

“

After living in Williamsburg for almost 20 years and raising our children in this community, we have grown to love and respect so many local organizations. Williamsburg Community Foundation is a way we can give and know that our donation will reach many of the causes that are near and dear to us.

– Sleeth family

A strong community is made up, in part, of individuals who dedicate a portion of their time to civic life. Williamsburg has meant a great deal to me for over fifty years, in part because of its good citizens. I recall Mayor Robert Walker taking steps to maintain our neighborhood's integrity. Gil Bartlett asked that I join him in the Kiwanis Club to help improve "the world, one child and one community at a time." Former William & Mary President Tom Graves appointed me chair of William & Mary's United Way Fund Drive, a responsibility that led to my service on the United Way Board. The United Way Board at that time helped create Avalon, an agency that has improved the lives of women in the Williamsburg area.

This combination of civic dedication and generosity have inspired me to do the same to help enhance our remarkable city in perpetuity through establishing endowments at the Williamsburg Community Foundation.

— David Kranbuehl

Stories from the Grove: Art, Community, and Dignity

In spring 2024, Grove Christian Outreach Center received grant funding from the An Occasion for the Arts Fund for “Stories from the Grove,” a project celebrating the strength and identity of the Grove neighborhood through art and personal reflections.

Created by students from James River Elementary School, neighborhood residents, and local artists, the artwork highlighted the experiences of those living in the community. To ensure accessibility, art kits were delivered to homebound residents, allowing them to participate from home.

The artwork was displayed from April to November in what is now The Gathering Place, Grove Christian Outreach Center’s free grocery program, where families can choose their own food, preserving dignity and reducing waste.

With WCF support, Stories from the Grove helped foster a sense of belonging, pride, and connection among Grove residents.

Crochet Circle Brings Older Adults Together

Peninsula Agency on Aging (PAA) helps older adults remain independent by providing essential services and combating social isolation.

One such program, The Crochet Circle, brings together individuals 70 and older to learn a new skill, form friendships, and create handcrafted afghans and other useful items. This welcoming weekly gathering keeps participants engaged and connected.

With a grant from the Williamsburg Community Foundation’s Senior Services Fund in 2024, The Crochet Circle launched and is now volunteer-led. Participants have crocheted over 50 afghans, 10 hat and scarf sets, 12 shopping bags, and 90 holiday Santas—many donated to fellow seniors.

One such recipient is a remarkable woman age 106 who continues to live at home with support from her family, PAA, York-Poquoson DSS, and others—proof that small acts of kindness create lasting impact.

We are advocates of education for all and enjoy supporting dedicated students. Our parents/in-laws, Karolee and Sandy Glassman, established named scholarships at their local community college in New Jersey, so we have seen firsthand how impactful a community college education can be. We are beyond honored to be part of making a difference through the Williamsburg Community Foundation.

Scholarship Funds Supporting Local Students

In 2024, we were proud to award scholarships to 98 local students, helping them take significant steps toward achieving their educational goals. As the cost of higher education continues to rise, the support of our generous donors is more important than ever in providing promising students with the financial assistance they need.

For over 50 years, individuals, businesses, and civic groups have contributed to scholarships, either through general gifts or by establishing named scholarships. Many of our donors have established endowed scholarships, creating lasting sources of support that will benefit students for years to come.

These contributions create lasting support for students in Williamsburg-James City County (WJCC) and ensure access to education for all. We thank each donor for their commitment to investing in the future of our community.

Thanks to a generous bequest, the Perisie Scholarship in Memory of James P. and H. Bihin Perisie provides full medical school scholarships every four years for female students from Greater Williamsburg, making an extraordinary difference in the lives of its recipients and the future of healthcare in our community.

This year, the Community Foundation awarded the second Perisie Scholarship to Stephonda Lewis, who is attending Eastern Virginia Medical School (EVMS) and is on her way to fulfilling her dream of becoming a physician.
